This product typically takes 10 minutes to 2+ hours to affect an individual.

Warning: This is a high potency cannabis product and may increase the risk of psychosis.

Warning: Cannabis that is vaped or smoked typically has an onset within 15 minutes, and cannabis that is consumed may have a delayed onset of 2+ hours.

Warning: Frequent and prolonged use of cannabis can contribute to mental health problems over time, including anxiety, depression, stunted brain development and impaired memory.

Warning: Consumption while pregnant or breastfeeding may be harmful.

Warning: Cannabis has intoxicating effects and may be habit forming and addictive.

Warning: Consuming more than the recommended amount may result in adverse effects requiring medical attention.

Warning: Made in a facility which processes tree nuts, peanuts, milk, eggs and wheat. This product has been tested for contaminants and there were no adverse findings. Allergens: Coconut.
